

SUPERBOOK

SERIES ONE LYRICS

- OPEN: When I opened the book, you know
I didn't know what I was going to find
I saw the flashing light just a'coming out
Oh, what a beautiful sight.
And then I was flying, I was flying
Oh, SuperBook. Well, I was afraid to look.
SuperBook, Oh, SuperBook.
(Music)
You know I want to go back again.
I want to go back with all my friends.
You know it's not a fantasy,
SuperBook's so real to me.
- CLOSE: SuperBook, SuperBook, SuperBook, SuperBook.
The light begins a journey that leads to places far
And why, it's so high
You just won't believe your eyes
You can! Find out how the moon and ocean came to be,
It's all right here, if you look
SuperBook.
As we all go flying away.
- Stories like a man made of clay
And a garden that was thrust in time
See the many mysteries and
Wonders that will fill your mind
SuperBook, don't you know
It's Su, Su, Super.
Keep along the rainbow road

SERIES TWO LYRICS

Were having lots of fun
SuperBook fell off a shelf
what they've done
- When it hit the computer
Oh, they were surprised
SuperBook got programmed in
Now it's computerized
Now it's computerized
- SuperBook, take a look
SuperBook
SuperBook
We've got the book
