"If you love me, obey my commandments." –John 14:15_{NLT}

Bible Reading Plan

SuperTruth:

The Bible tells us to obey God's commandments. When we disobey God, we're saying that we think we know better than God. But when we practice obedience and do what God asks us to do, we're showing that we love and trust God.

BEHIND THE VERSES: THE BIBLE BACKGROUNDS

“In the Beginning” Bible Background:

The Bible tells us there were four rivers flowing through the Garden of Eden: the Pishon, the Gihon, the Tigris, and the Euphrates. Some people think that if we can find these four rivers, we can find Eden. But the world has changed a lot since the Garden. Today, only two of the four rivers can be found: the Tigris and the Euphrates. We may not know where the Garden of Eden was for sure, but we do know that many of the most exciting stories from the Bible happened right near these rivers!

The Bible says the ark finally came to rest on the mountains of Ararat. The mountains of Ararat are located north of Mesopotamia in modern-day Turkey. Here is a picture of Mt. Ararat today:

“Jonah” Bible Background:

When Jonah disobeyed God by sailing for Tarshish instead of going to Nineveh, the Lord sent a great storm and a large fish to redirect him to his mission. This Roman gem from the 3rd century illustrates scenes from Jonah's story. From right to left, it depicts Jonah praying, being cast overboard and swallowed by the great fish, and finally sitting beneath the shade of a plant as he watches Nineveh from a distance. The plant is traditionally understood to be the ancient equivalent of the modern castor oil plant.

BEHIND THE VERSES: THE BIBLE BACKGROUNDS

“Samuel” Bible Background:

The tabernacle was a tent of meeting between God and the Israelites. God himself gave the design of the tabernacle to Moses. The walls were linen curtains hung on a wooden frame. A large veil separated two large areas inside (one of which housed the Ark of the Covenant). This image is of a replica of the tabernacle, with a lampstand, incense altar, and table for show bread in the outer area called “The Holy Place.” Behind the veil was the place called the “Holy of Holies” which housed the Ark of the Covenant.

The Ishtar Gate was the main entrance to the city of Babylon. The Processional Way was the ceremonial road leading from the Ishtar Gate into the city. Between 1899 and 1917, a team of archaeologists uncovered the Ishtar gate and much of the Processional Way in the modern-day country of Iraq. The gate was moved to a museum in Berlin, Germany. It is 47ft high and 100ft wide. The beautiful, vivid, blue-glazed bricks are decorated with images of mythical creatures.
